

Additional Removal Options

Option 3: Freight Pick Up with Full Freight Prep

Buyer may have a freight company pick up this item. State of Washington Surplus Operations will prepare this item for shipping for a \$45 preparation fee per pallet. Preparation consists of covering item in cardboard, shrink-wrapping it and banding to a pallet. Buyer will be responsible for making shipping arrangements and prepaying freight cost with a freight carrier prior to shipping. A Bill of Lading, which must reference the Asset ID number, shall be emailed to SurplusCashier@des.wa.gov. Auction items will be available for freight pickup 2 (two) business days after receipt of Bill of Lading.

Option 4: Freight Pick Up Shrink-Wrap Only

Buyer may have a freight company pick up this item. State of Washington Surplus Operations will prepare this item for shipping for a \$10 preparation fee per pallet. Preparation consists of shrink-wrapping the items on the pallet. Buyer will be responsible for making shipping arrangements and prepaying freight cost with a freight carrier prior to shipping. By submitting payment, Buyer acknowledges that the freight carrier hired for pickup may refuse the shipment prepared in this manner and assumes all risk and responsibility for the condition in which the shipment may arrive. A Bill of Lading, which must reference the Asset ID number, shall be emailed to SurplusCashier@des.wa.gov. Auction items will be available for freight pickup 2 (two) business days after receipt of Bill of Lading.

Option 5: Freight Pick Up without Prep

Buyer may have a freight company pick up this item. However, if the Buyer chooses no freight prep or the Seller is unable to properly prepare this item for freight, then Buyer assumes the risk of this item breaking in transit. Seller will ONLY release for freight in "AS-IS" condition. By submitting payment, Buyer acknowledges that the freight carrier hired for pickup may refuse the shipment prepared in this manner and assumes all risk and responsibility for the condition in which the shipment may arrive. A Bill of Lading, which must reference the Asset ID number, shall be emailed to SurplusCashier@des.wa.gov. Auction items will be available for freight pickup 2 (two) business days after receipt of Bill of Lading.
